(MEMBERS AND OBSERVERS)**

**Subject: Protocol on rules of origin - Value limits expressed in Euro and corresponding amounts in national currencies**

The values expressed in Euro in Articles 21 and 26 of the Appendix I of the Regional Convention on pan-Euro-Mediterranean preferential rules of origin and the corresponding amounts in national currencies should be communicated, according to the provisions of Article 30, to the importing countries through the European Commission. These amounts should be calculated for the year 2025 at the exchange rate of the first working day of October 2024 (art. 30 §3) and should be rounded up or down according to the provisions of art. 30 § 4.

It is hereby recalled that for partners still using the pan-Euro-Mediterranean protocol on rules of origin for their trade the relevant articles of applicable in this context are respectively articles 22, 27 and 31.

These value limits will be used in the context of the Transitional PEM rules of origin.

Delegations are kindly invited to fill in the table here attached and send the relevant data to the European Commission (e-mail: [florence.hage@ec.europa.eu](mailto:florence.hage@ec.europa.eu) and [anne-marie.michels@ec.europa.eu](mailto:anne-marie.michels@ec.europa.eu)) by **31 October 2024**. This should allow the European Commission to inform all partners concerned of the amounts that will apply as from 1 January 2025.

**VALUE LIMITS APPLICABLE FROM 1<sup>st</sup> JANUARY 2025**
